that took the time to pre-read this work and make
LOTS of suggestions and corrections.

What a beautiful
world that I see,

Every bit
amazes me!

Rocks and flowers
all around,

Things in the air
and on the ground.

I've seen pretty
colored leaves,

Dancing in the
wind on trees.

The splashing
stream so pure and
clear,

The budding
flowers growing
near.

The birds that sing
when I walk by,

Puffy clouds up
in the sky.

Children laughing
while at play,

Running, dancing,
through the day.

When it rains,
I stay in the house,

Thunder so loud,
I feel small as a
mouse.

But after the rain,
the puddles are
sweet,

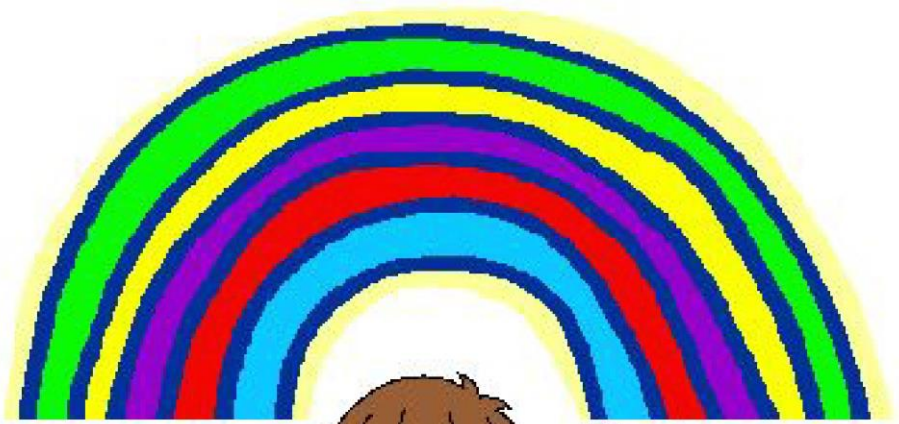

I jump and splash
with my happy feet.

When the sun
comes out, I see a
glow,

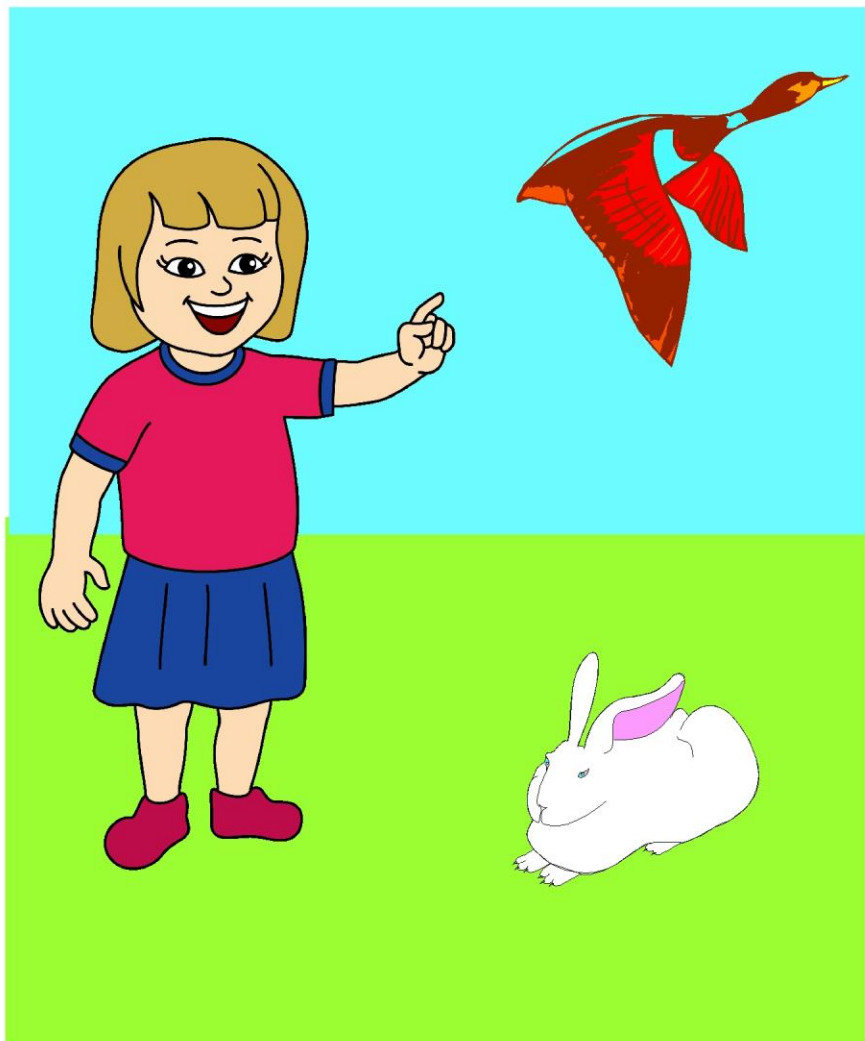

The sky is bright
with a rainbow.

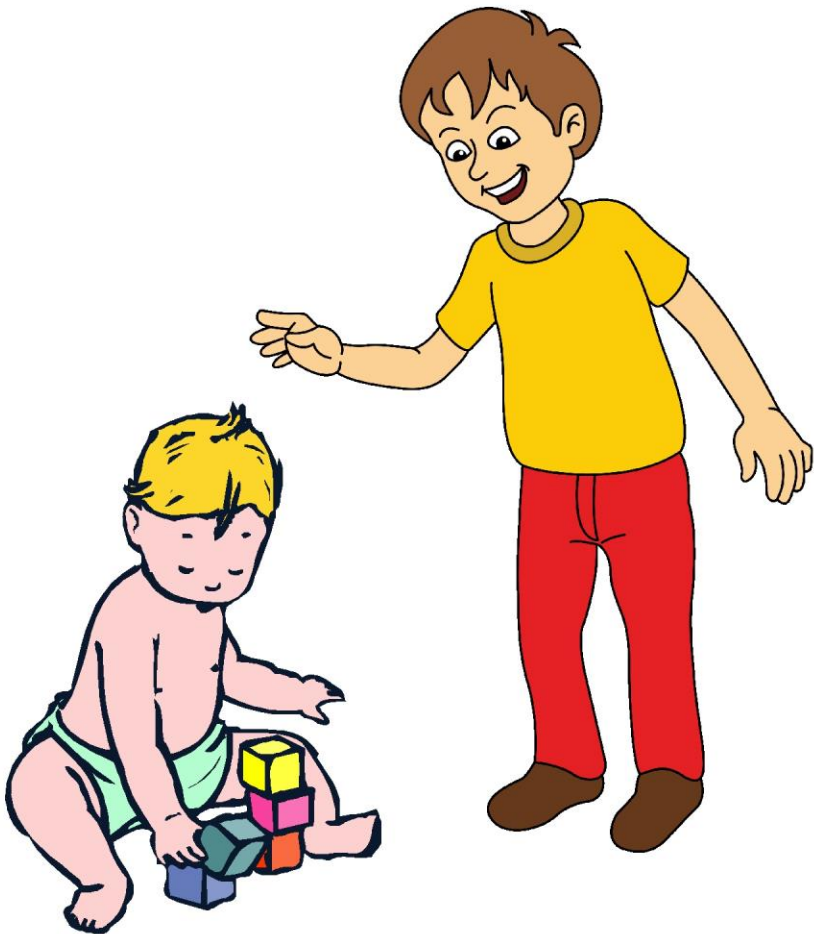

On my walks I have
such luck,

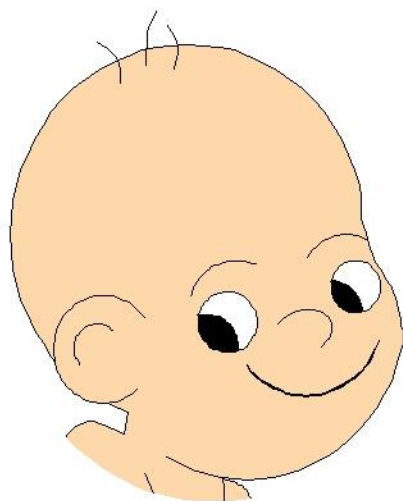

I might see a bunny
or a duck.

Or enjoy a baby for
a while,

I feel good with
every smile.

Sun, flower, grass
and tree,

What a beautiful
world that I see.

We hope that you have enjoyed this little book.
